Curriculum Focus

Our main learning theme for this half term is "Changes" - our investigations are based around the question "Does everything change?"

We have been exploring a variety of different changes: how juice changes when it is frozen to make delicious ice lollies, how food changes and how the size and direction of our shadow changes throughout the day. We have also got some caterpillars in our classroom and we will be watching how these change over the next few weeks.

Minibeast House

Thank you to all who donated items for our minibeast house - it is looking great and we hope it will encourage lots of minibeasts to our outdoor area.

Uniform

If your child requires logo jumpers or cardigans, these can be purchased from the school office and we now accept card payments.

Non-logo uniform can be ordered direct from the supplier:

<https://www.castleprintwear.co.uk/products/school-shops/school-essentials/school-essentials/classic-eco-sweatshirt--foxbridge-primary-/51608>

We are now offering the opportunity for a uniform swap shop. If you wish to donate any used uniform for other parents to utilise, please bring this to the school office.

Bag2school

A polite reminder that anyone wishing to donate old clothes to please bring these bagged to the office prior to the collection day on Tuesday 11th July.

Term Dates

The final day of term is Thursday 13th July. The first day of the next academic year is Tuesday 29th August 2023.

Ready, Set, Read!

This year's Summer reading challenge – 'Ready, Set, Read' is being organised in conjunction with the charity the Youth Sports Trust and is focused on sports and games themed challenges.

The challenge is being run along the same lines as previous years with each child being asked to read 6 books during the Summer. The challenge is free to join at their local library and each child will receive a folder and one set of stickers on their 1st visit followed by a further set of stickers and a glow in dark book mark (2nd visit) and a final set of stickers, a medal and a certificate (3rd visit).

This year Castle Donington library are proposing to run a children's raffle alongside the challenge, all children completing the challenge will qualify for the draw. In addition they will be displaying a star chart recording number of children completing the challenge for each school.

Staff from Castle Donington library shall be visiting us on Tuesday 4th July to discuss this further with the children.
