Attendance

Attendance and punctuality

Our overall school attendance for this academic year is 95%; thank you for your support in helping your children attend regularly and on time.

A polite reminder that school starts at 8.45am and children arriving after that time will be marked as late.

When children arrive in the classroom after 8.45 am, it means they have a less settled start to the day as they will already have missed some key instructions. Lateness also impacts the learning of others as staff need to update registers and meals choices as well as repeat instructions given.

Breakfast Club

Thank you for supporting our breakfast club, it has been a great success!

Going forward there will be some changes. We please ask that you book in on a Friday before 3pm for the following week. Places need to be paid for in advance and are non refundable. This is to help us unsure we have the correct number of staff on site and to ensure the viability of the breakfast club.

Please can you book and pay for your child for the start of Autumn term by Friday 22nd August, before 3pm.

The first breakfast club will be on our first day back, which is Tuesday the 26th August 2025. Thank you
