Safeguarding

Safeguarding at Foxbridge Primary School

At Foxbridge Primary, your child's safety is our top priority. We maintain a vigilant and caring environment where every child feels secure and valued. Our staff are fully trained in safeguarding procedures and follow strict protocols to protect all children. We work closely with families and external agencies to ensure timely support and intervention when needed. Through regular safety drills, robust online safety measures, and a culture of respect and kindness, we strive to create a safe space where every child can thrive.

Please see the safeguarding section on our school website for further information about how we promote safeguarding throughout our curriculum.

Phonics Session - Reception Class

We are delighted to invite our Reception parents into school to watch a phonics lesson with your child, on Wednesday 24th September 2.15pm.

This will give you the opportunity to see what a phonics lesson looks like in school, enabling you to support your child effectively at home.

We ask that just one parent/carer attends and that on this occasion, younger siblings are not brought along, as it can cause distraction for the children in class.

School Clubs

A polite reminder that Drum Club/Rock Band and Singing/Drama club are hosted by external providers. Any bookings or queries need to be done directly with them. Thank you
