Welcome back!

It has been a brilliant week at Foxbridge for our children (and staff!), getting back into the groove of learning, catching up with friends and making new ones! We have loved seeing the children embracing school life, looking after each other and showing all of our school values. Over the coming weeks, we will share dates and times for key events over the coming year; we look forward to welcoming you into school for these. We are also looking at setting up a PTA. If anyone is interested in being part of this, please do let Miss Hickman (EYFS teacher) or Mrs Gillham know so that we can arrange further discussions. Please do speak to me on the gate, say hello and share any questions or concerns. Thank you for being so welcoming - I'm looking forward to working with you.

Celebrate with us!

We want to celebrate everything that is important to our families, whether big or small! If you have connections to a particular area of the UK, a country, religion or belief then please do let us know via the form below. We will use this to support planning events and celebrations for the year.

The Foxbridge Sorting Hat

As the school grows, we are keen to begin using a House system to support children in their teamwork and sense of belonging. This is where we need you! Please do share your suggestions via the form for four house names either with a particular theme or linked to our local community. We will take ideas from the children in school as well as the staff so that everybody is involved. We can't wait to hear your ideas.

Parking and driving around the school

At the start of the year, we just wanted to take the opportunity to remind you to please park and drive considerably around the school. We have had some reports of cars driving onto the pavement outside the school as well as children in the front with no seatbelt or car seat. We would much rather that you were a few minutes late but safely arriving than somebody was seriously hurt. Thank you for your continued support.
