Headteacher's update!

Hello everybody!

The dark nights are now starting to settle in and we have enjoyed hearing all about the children's adventures trick or treating and autumn walking over the past few weeks. We are wishing you a happy bonfire night and Diwali also - what an exciting time of year! The children have been working hard and learning about all of the different festivities this time of year brings. As always, as it gets colder, children inevitably start to bring in coats and jumpers which then get left around the school. Please ensure all items, including hats and gloves, are named so that we can get them back to the rightful owner. Thank you for your continued support!

PSCHE Lessons

As part of our safeguarding curriculum, all children will be taking part in a lesson over the next few weeks that will focus on the relationships and sex education (RSE) aspect of their PSCHE lessons. All classes will receive this, but it will be age-related and tailored to each year group. We will be using the NSPCC resources as part of this. This will include the following:

-What it means to ask permission, including touch
-What appropriate privacy is
-Understanding that they can say no to touch
-TalkPANTS rule
-Correct use of medical vocabulary
-Becoming more independent and keeping safe

Everything will be age-appropriate following NSPCC guidance. Please see the link for further information or speak to your child's class teacher if you have any questions.

Cake donations can be brought to the office from Monday 30th November.
Thank you for your continued support.
